Dear Friend of Kiwanis:

Over the years, Kiwanis Pancake Day has become a local tradition. Although delicious all-you-can-eat pancakes and sausage are a draw for our yearly fundraiser, we find that our community considers this a 'must-attend' event largely because they know that the proceeds directly support the children of our area.

Pancake Day is scheduled for Saturday, March 7, 2026 from 7:00am to 1:00pm at Findlay High School Cafeteria!

We need you! Will you support this local tradition?

All proceeds from this event help the Kiwanis Club of Findlay to support organizations throughout Findlay and Hancock County.

Your support of Pancake Day allows us to reinvest the profit from the event into our community. Some of our investments in the past have included:

- Kiwanis Closets program is in every elementary and middle school in Hancock County for students in need of hats, gloves, and other clothing items.
- Donations of AmTrykes® to provide mobility to children with physical disabilities.
- Kiwanis Santa's House brings Santa Clause and provides horse drawn wagon rides through downtown Findlay. Thousands of children have experienced this free Christmas event.
- Kiwanis Foundation Scholarships have awarded over \$200,000 to Hancock County youth.
- Building future leaders through our Service Leadership Programs: K-Kids (McComb Elementary), Builders Club (McComb Middle School), Key Club (Findlay High School), and Aktion Club (Blanchard Valley Center).
- EnChroma glasses help children correct difficulty with seeing colors, over 40 glasses distributed to date.

Please consider being a part of this community tradition and Findlay Kiwanis Club's largest fundraiser with your support. Supporting the Findlay Kiwanis Pancake Day means supporting the children of our community!

Sincerely,

Pancake Day Committee
